

**CAUTION: IF YOU ARE NOT FAMILIAR WITH THE CAR'S ECU (ENGINE CONTROL UNIT), WHICH IS THE CAR'S COMPUTER, DO NOT ATTEMPT TO INSTALL THE OPTIMIZER. IF HOOKED UP IMPROPERLY, YOU COULD SHORT OUT THE UNIT AND RENDER THE CAR UNDRIVABLE.**

**WE STRONGLY RECOMMEND THAT YOU HAVE A CERTIFIED HAFC TECHNICIAN INSTALL AND TUNE THE OPTIMIZER. MANY TECHNICIANS DO NOT LIKE TO TUNE AN OPTIMIZER THAT WAS INSTALLED BY SOMEONE ELSE. IF THE OPTIMIZER WAS INCORRECTLY INSTALLED, THEY WILL NOT BE ABLE TO GET THE ORIGINAL READINGS FROM THE CAR, WHICH IS NECESSARY FOR PROPER TUNING.**
